

# World Student Christian Federation (WSCF)-North America

## ECUMENICAL TRANSFORMATIVE DIAKONIA:

Border Solidarity Trip (October 1-7)

School of the Americas Convergence (October 7-10)

Gain an enhanced understanding of forced migrations of people fleeing Mexico and Central America due to violence and poverty

.....

Witness the inhumanity of building walls, of violence perpetrated by drug cartels and border patrol, and to the perils of desert crossings

.....

Learn advocacy skills regarding migrant justice and get involved in the WSCF advocacy and solidarity work

.....

Learn theological and biblical tools to connect their faith to migrant justice

.....

Discuss and recommend further student work on the issue at different levels, including at the United Nations where the WSCF holds accreditation as an NGO

.....

Be trained to do diaconal work with migrants in their local communities

.....

Learn from congregations and organizations on the border how to promote Christian Diakonia to migrants and refugees.

.....

Acquire skills to create theological and educational tools/curricula for use on campus and in local congregations.
